All entries must be received by 4:00 p.m. Thursday, July 29, 2010. All entries must have been canned between July 29, 2009 and July 29, 2010. Product must be in standard canning jars (quarts, pints, and half-pints). All jars should be in good condition, clean, free from dust, free of rust, dents, and other defects. Only USDA approved methods of food preservation are accepted (pressure canning or hot water bath and standard sealing methods only). Each jar must be submitted by an individual, not by a couple or a team. Contestants may submit only one jar per category. No submission fee is required. Each jar must be appropriately labeled including name of product and date or year canned. Contestants will receive a number and stickers (or tags) for each jar (for ID purposes during contest and awards). Each contestant must turn in completed Entry Form.

All entries will be displayed at the Union County Civic Center on July 31, 2010 during the Green Bean Festival. After the Awards Ceremony at 4:00 p.m., contestants must pick up (or make arrangements to pick up) any jars or dishes used during the contest. We cannot be responsible for jars left at the facility.
